PINNACLE SL300

BRINGING YOU PEACE OF MIND

HARMAR
we lift lives

DIFFERENT BY DESIGN

The Pinnacle stair lift has an established reputation as an industry leader for its innovative design, solid performance and reliability. Its patented drive system serves as a cornerstone that makes this stair lift different from all others on the market.

- Clean Operation – Pinnacle technology means no grease or lubrication. Cleaner for you, your home, or even pets.
- Efficient motor with nylon polymer gear/worm drive provides as many as up to 60 cycles on batteries during a power outage.
- Symmetrical design provides industry's most compact folded width. The rail mounts 1" from the wall and is 3" tall helping to stay out of sight.

CLEAR WALKWAYS

Harmar's exclusive automatic and mechanical folding rail (optional) removes obstructions and trip hazards at the lower landing area. Its operation is automatic, the user does not need to stop or have someone else assist. And since it's mechanical, there are no additional switches or controls.

DESIGNED WITH YOU IN MIND

My Pinnacle gives me the confidence to go up and down my stairs safely. It operates smoothly and is very quiet. I feel comfortable in my own home and less dependent upon others. My children have peace of mind knowing I am safer with my Pinnacle.

SL300 PRODUCT SPECIFICATIONS

WEIGHT CAPACITY	300 lb
TRACK LENGTH	15' 6" to 36'
SEAT SIZE	19" x 16"
FOLDED WIDTH	- 11" from wall - 13.6" with folding rail
COMPLIANCE	- ETL listed - CSA B44.1/ASME A17.5 - Safety standard ASME A18.1 - Rated residential
SAFETY FEATURES	- Seat belt - Overspeed brake - Audible alert system - Swivel seat with interlock - Footrest obstruction sensor
SPEED	20 FPM
INCLINE LIMITS	27° to 52°* * inclines above 45° may require local jurisdiction approval.
FOOTREST SIZE	12.6" x 14.8"
DRIVE	- Patented nylon polymer gear rack - Helical worm gear
WARRANTY	- 2-year parts - 10-year gear rack - 1-year battery
OPTIONS	- Retractable seatbelt - Automatic folding rail - Chassis obstruction sensor - Key lock - Extra rail + brackets - Manual lowering tool
